

ABELARDO ENRIQUE MONSALVE COBIS

Data Scientist – Ph.D. in Statistics and Operations Research – Mathematician

ABOUT ME:

Statistician-Mathematician with over 10 years of experience in the development of mathematical models, statistical techniques, and applied research. I have worked in institutions such as BCAM and ITMATI, developing predictive models, time series analysis, survival models, competing risks, statistical techniques, longitudinal data analysis, machine learning, and artificial intelligence methods. Proficient in R, Python, and MATLAB, as well as web development with Java. My work blends academic rigor with practical applications in health, industry, and technology.

EDUCATION

BBK-BOOTCAMP EN DATA SCIENCE. (500 HRS).

The Bridge / Digital Talent Accelerator 2025.

SPECIALIZATION: Informed Clinical Decision Making using Deep Learning.

University of Glasgow, 2023.

PHD. in STATISTICS and OPERATIONS RESEARCH.

University of Santiago de Compostela, Spain 2011.

Diploma of Advanced Studies (DEA).

University of Santiago de Compostela, Spain 2008.

M.Sc. in Random Models (Magíster Scientiarum).

IVIC – Venezuelan Institute for Scientific Research, 2002

B.Sc. in Mathematics.

University of Los Andes, Venezuela 1998

WORK EXPERIENCE

Research Technician – BCAM (Basque Center for Applied Mathematics),

Basque Country (2020–2024)

Roles: Advanced data analysis and visualization.

Development of predictive models in the healthcare domain.

Research Technician – ITMATI (Technological Institute for Industrial Mathematics)

Santiago de Compostela (2019-2020).

Roles: Data analysis. Development of predictive models for a decision support system in predictive maintenance.

Associate Professor – Universidad Centroccidental Lisandro Alvarado, Venezuela (2001-2019).

Roles: Teaching and Research..

Head of the Department of Operations Research and Statistics.

Universidad Centroccidental Lisandro Alvarado, Venezuela (2001-2019)

SKILLS

- Programming in R, Python, MATLAB
- Web Development: Java, HTML, CSS, JavaScript, Django
- Databases: SQLite, MySQL
- Version Control: Git, GitHub
- Statistical Analysis and Predictive Modeling
- Problem Solving
- Scientific Communication and Project Management

LANGUAGES

- **Spanish:** Native
- **English:** B2
- **Basque (Euskera):** A1.
